

Verifiers' Declaration

Undersigned representative and verifier/expert of Ouroffset Nonprofit LLC., declare that I have acted with due professional care and diligence in the verification activity and that the information contained in the issue report has been verified in the verification report and in accordance with the terms and conditions set out in the relevant standard - „Quality Technology Change Standard™ (QTCS) v3” -, and have verified it by signing it and crediting the amount of voluntary carbon units in tonnes of CO₂e as set out therein to our registry system.

I further confirm that the verification activity was carried out without any conflict of interest under the applicable legislation, by independent persons and was carried out independently.

I have made the above declaration in relation to the

**Mitigia Fleet Electrification Project 2018-2024 in Hungary
(ID: OO-1UJ-339-DB9W)**

(Serial: MPFE-10000001-10000682-VCU-OO-36-HU-2025-05-20-1)

Carbon Credit volume: 682.00 tCO₂eq

project.
