Verifiers' Declaration

I, the undersigned, as a representative of OurOffset Nonprofit LLC and as an expert performing verification activities on the voluntary carbon market, independent of governmental and state organizations, hereby declare that I have conducted the verification procedure with the requisite professional diligence, impartiality, and due thoroughness.

I confirm that I have examined, accepted, and – by my signature – verified the data and findings contained in the emissions report in accordance with the records in the verification report, as well as in compliance with the requirements of the applied "Quality Technology Change Standard (QTCS) v3" and the relevant methodology.

Furthermore, I certify that the issuance of credits, expressed in tonnes of CO₂e as specified in the verification report and taking into account any previously issued voluntary carbon units, has been completed in the OurOffset registry.

I also declare that, during the verification procedure, no conflicts of interest as defined by relevant legislation were present, the verification activities were performed by independent individual(s), and I conducted them in an independent capacity.

This statement is made with reference to the project registered with OurOffset Nonprofit LLC:
